1. Terms of use

Any use will be permitted provided it fulfils the requirements of the "Attribution 4.0 International (CC BY 4.0)" (<https://creativecommons.org/licenses/by/4.0/> resp. <https://creativecommons.org/licenses/by/4.0/deed.de>) license. No limitations to public access.

We recommend the following citation guidelines:

- For all data with a Digital Object Identifier (DOI): Please cite the DOI.
- For all data without a DOI: Properly identify the author given with each data value when citing the data.
- Desired citation remark for all data: Data were retrieved from the HCDC datasearch portal (<https://hcdc.hereon.de/datasearch/>) under CC BY 4.0 license.

2. Disclaimer

In the context of the Helmholtz Coastal Data Center (HCDC) at Helmholtz-Zentrum hereon GmbH (Hereon), extensive data is collected, recorded, processed and analyzed by the Hereon Institutes. The public is allowed access to these maps, models and measurement data. The copyright holders of the material are designated on the respective documents / data. They are responsible for their respective content.

Hereon as initiator of HCDC provides data from different fields of study on the HCDC site and strives for accuracy and timeliness of the information provided on the site. The possibility of errors and ambiguities cannot, however, be entirely excluded. Hereon as initiator of HCDC therefore provides no guarantee for the timeliness, accuracy, comprehensiveness or quality of the documents and data offered. Hereon is not liable nor can it provide any guarantee in regard to the data's suitability for a particular application, its timeliness, accuracy, comprehensiveness, quality or its continuous availability. Hereon as an initiator is not responsible for damage resulting from the use or non-use of the information provided. It also accepts no responsibility for any damage resulting from computer viruses when accessing or downloading data or when installing or using software.

3. References and Links

Direct or indirect references to third-party internet sites (links) on these pages have been provided by Hereon to the best of their knowledge and by using the utmost care. The links merely provide access to third parties' Internet sites. The trustworthiness of third parties as well as the legality of "third-party content" on these third-party sites were considered of particular importance. However, because Internet content is dynamic and can change at any time, constant individual checks of all content pertaining to a link is not always possible. Hereon has no influence on linked websites and their "third-party content" and provides no guarantee for such content. The respective provider or operator of the site is solely responsible for the content on linked pages. Hereon therefore does not explicitly adopt "third-party content" as its own. The respective provider

or operator of the page referred to is solely liable for damages resulting from the use or non-use of "third-party content". In the event that the editorial team becomes aware of a legal rights breach, it will immediately remove such links. Please communicate to us if you believe that the information or content of a link is incorrect, not up-to-date or is otherwise objectionable. Adding links referencing the content of this website requires prior consent from this website's Hereon.

4. Usage conditions for utilizing data and for publication of Hereon's HCDC data (as of April 2023):

The following conditions apply to any data usage from the HCDC initiative. The user acknowledges data rights and agrees to the following guidelines: The data rights remain with the copyright holders and/or the project partners (see designation). No transfer of rights occurs by granting potential use. The use of data, maps and materials provided within the framework of the HCDC initiative is free of charge under the condition that the copyright holder and the copyright details are appropriately designated.

We kindly ask you to observe the principles of "good scientific practice". Under the license, you are required to appropriately credit the author, link to the license and indicate which changes you may have applied. Hereon does not endorse any changes that you may have applied to the source material.
